FACE CAPTURE

English

In the next screen, we will take a picture of your face. Read the tips below and click on the **NEXT** button to proceed.

Useful Tips:

- Position the camera such that your full face is visible in the preview.
- Ensure your room is well lit.
- Use the 'Select Camera' dropdown, in case your camera is not detected automatically.

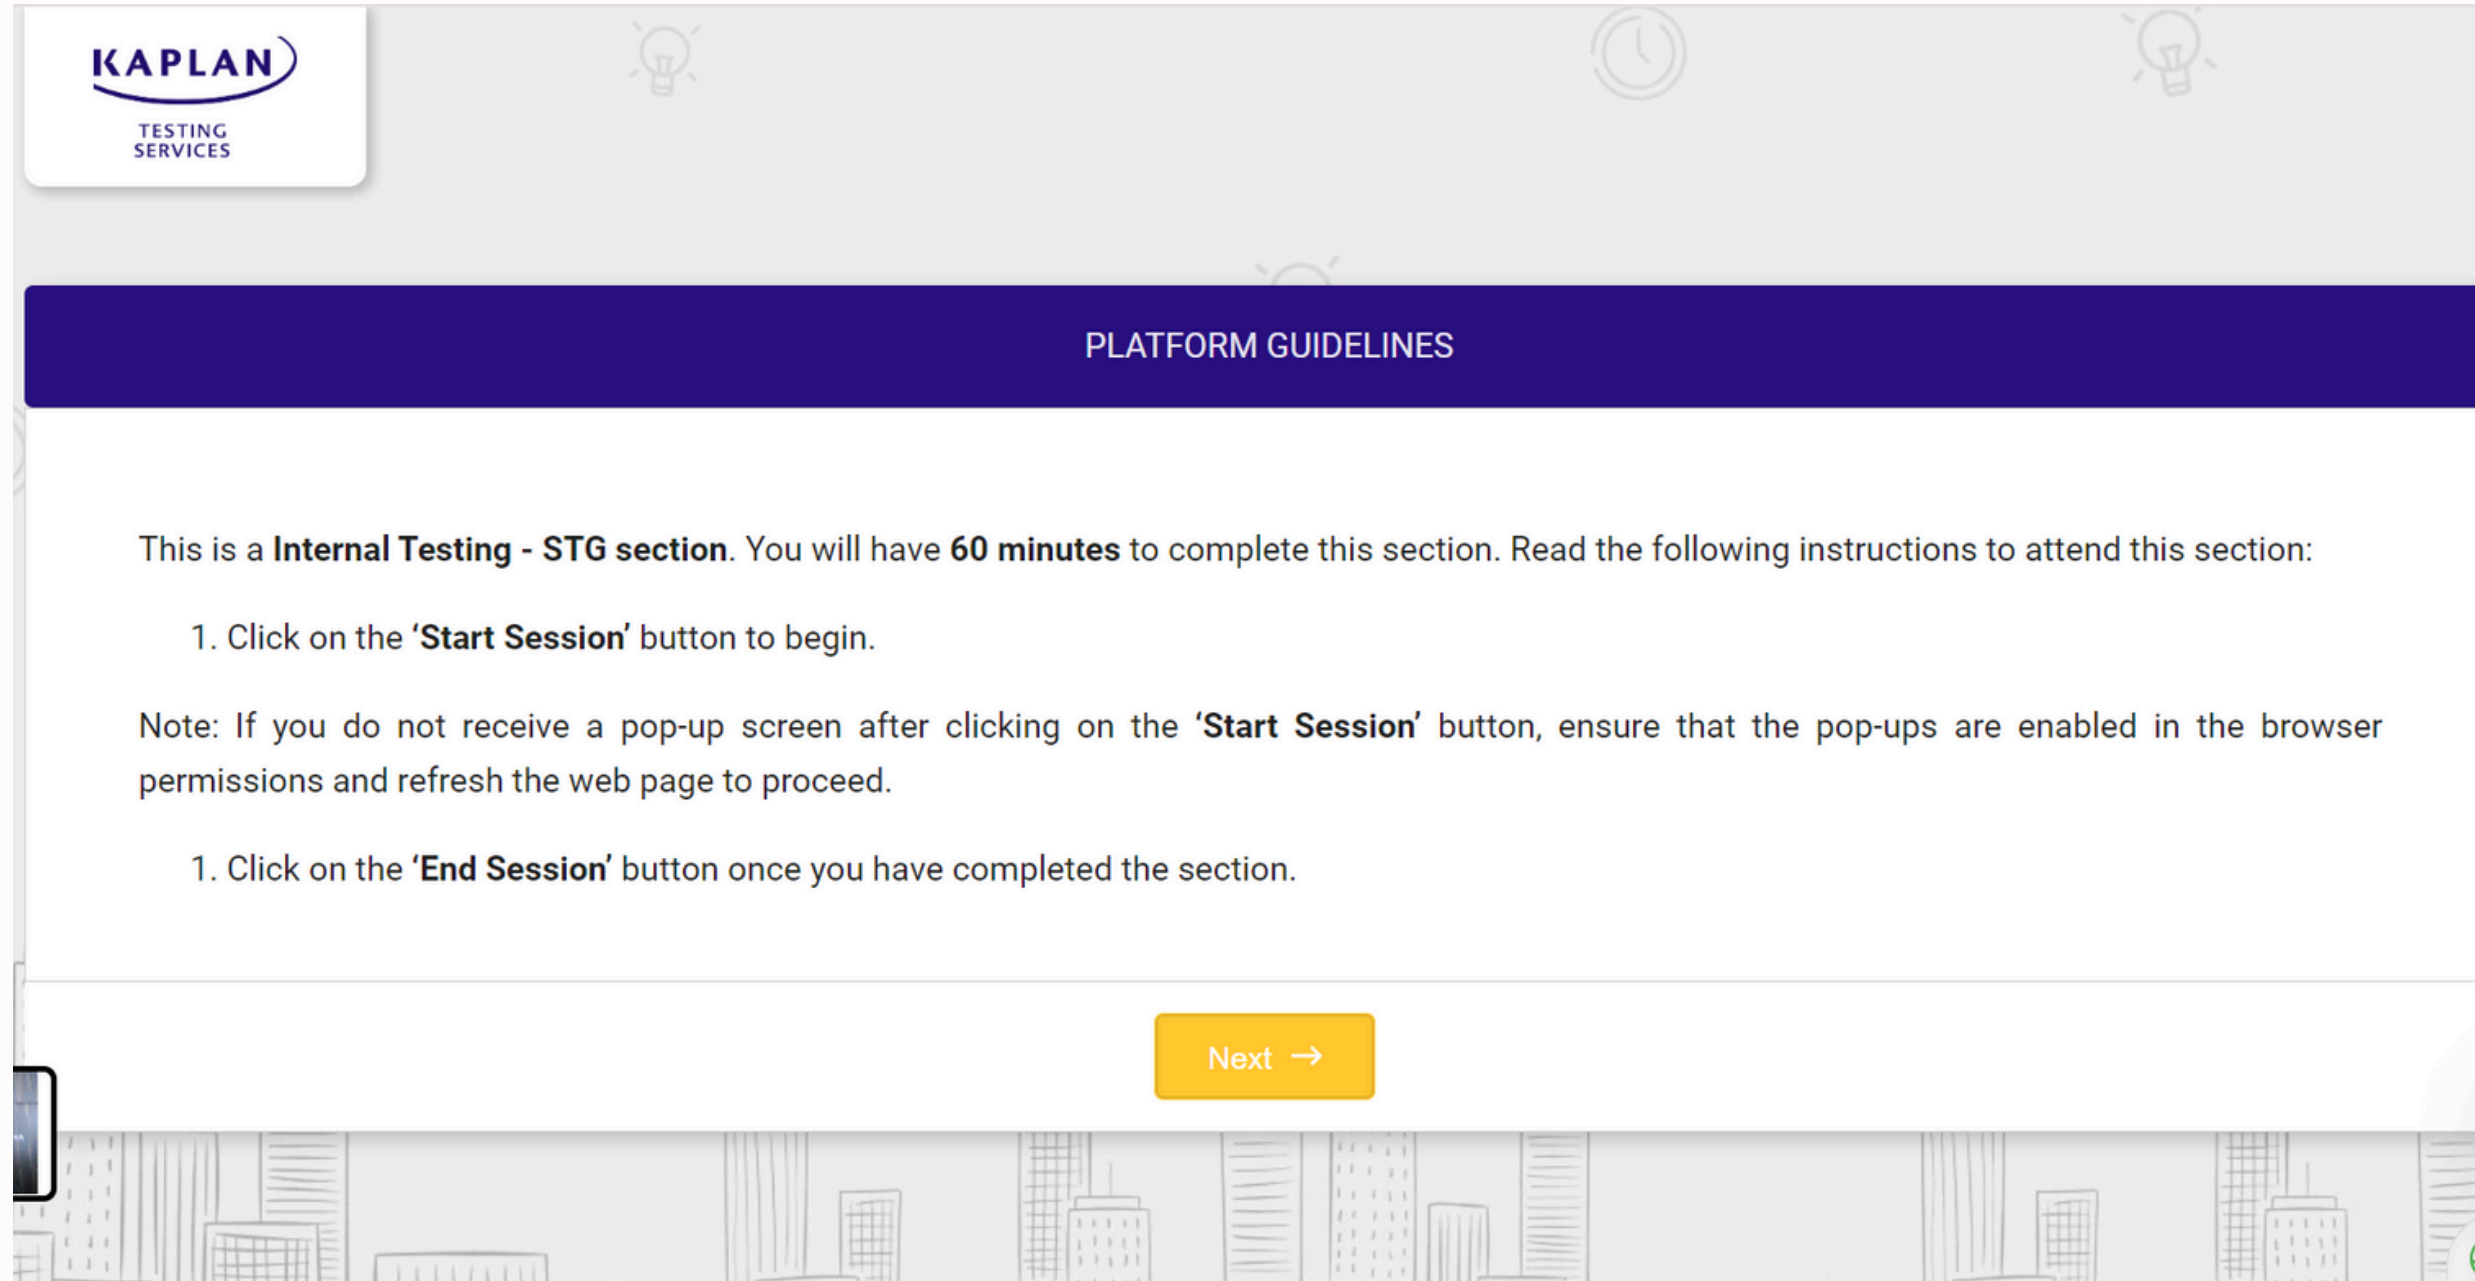

Select Camera

Integrated Camera (...)

Next

Pre Flight Checks

- You will then be taken through a series of hardware and environment checks along with secondary camera set up

The screenshot shows a web interface for Kaplan Testing Services. At the top left is the Kaplan Testing Services logo. A dark blue header bar contains the text "PLATFORM GUIDELINES". Below this, the main content area contains the following text: "This is a **Internal Testing - STG section**. You will have **60 minutes** to complete this section. Read the following instructions to attend this section:" followed by a numbered list: "1. Click on the **'Start Session'** button to begin." Below this is a note: "Note: If you do not receive a pop-up screen after clicking on the **'Start Session'** button, ensure that the pop-ups are enabled in the browser permissions and refresh the web page to proceed." followed by another numbered list: "1. Click on the **'End Session'** button once you have completed the section." At the bottom center of the content area is a yellow button with the text "Next →". The background of the page features faint icons of a lightbulb, a clock, and another lightbulb, and a city skyline illustration at the very bottom.

Platform Guidelines

- Please read guidelines carefully before proceeding
- Click on 'Next'

GUIDELINES

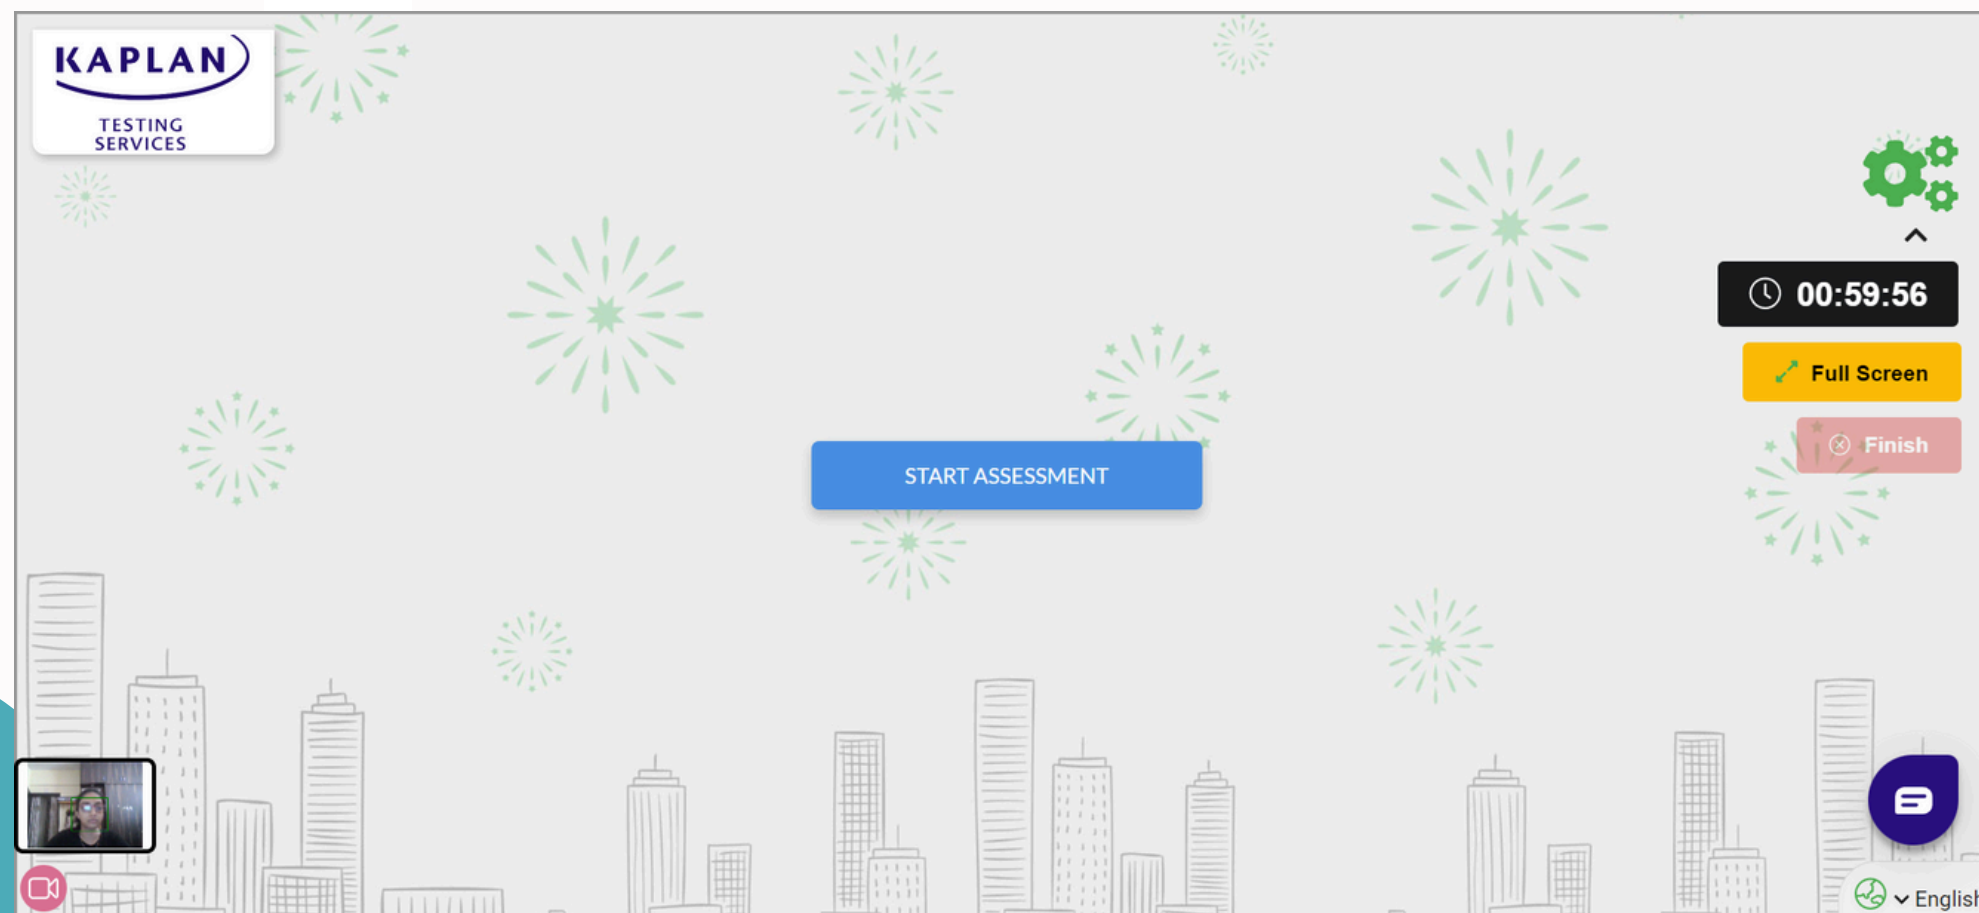

Click on **Start Session** button to begin.

Click on the **End Session** button if you have completed the test.

Start Session **End Session**

Starting the Assessment

- Click on Start Session to move into the assessment
- Click on Start Assessment
- The test will open in a new tab
